“ The joy Angelina brought to our family will always be remembered. I watched her as a little girl grow into a loving and caring beautiful young lady. Angelina the gates to heaven opened and you gained your wings a lot sooner than we all would have wanted. I know you will be watching down at us and we will always make you proud. The memories will last a lifetime and you can be sure you will always be remembered. Love you always Aunty Kelly and Uncle Rick.

“ I will always remember Angels big bright smile, loving eyes and caring soul. Everytime i saw her she gave me life and good vibes. She was talented at everything she did and could pick up and learn new things with ease. She loved music and i can still hear her beautiful voice hitting them notes. Angel was always there for me no matter how small or big the problem. I could always count on her. I will never forget all the loving advice she gave me. I am a better person because of Angel and will try everyday to make her proud. She was one of a kind and i know shes still touching hearts and will always be here for us. Love u homie,always
