“ I'll never forget her laughter while sailing on Casco Bay. She was a strong beautiful woman inside and out. Bev and Red raised two outstanding adults who in turned raised grand children to be extremely proud of. What a great Legacy to leave. Say hi to Red Bev, we will miss both of you.

“ For the past 35 years I have shared a wonderful friendship with Bev and Emery. My husband and I traveled with them many times along with other couples to the Islands in the winter and around New England in the summer. It was always fun with lots of laughter. I am saddened by the loss but grateful for many, many great memories. RIP to Bev and Emery. Gerry
