“ Brent when you passed a part of me went with you. I'll miss all the good times we had and even some of our disagreements Because that's what brothers do, But I love you and I know you love me even though we didn't say it all the time it wasn't necessary We knew. Now you are with Neil And mom dad and nana and all our other relatives. You are with out pain and healthy once again this I'm thankful for. I'll see you again someday my brother.
