“ Donna and Ritchie would travel out to New Mexico to visit with her brother Brian and sister-in-law Donna. There was always good times to be had with the visits. She was a wonderful lady who was always fun to be around.

“ To all of Donna's children and grandchildren, Aunt Lois, and Cousin Cheryl:

I was so very sad to hear of Donna's passing. She was always so very funny and had a personality that just made people like her. I'll always remember the "Nut-House Gang" Christmas Cards she sent that described her one big happy family. She will be missed.

So very sorry for your loss.

“ Donna became like family many years ago. She and my Mom did alot of recipe discussing and on the days she helped at Crawfords Greenhouses she made us laugh so the work seemed to be done in no time. When she and Richie came to Vermont for visits we went all sorts of fun places.  
She really enjoyed an ice cream at Ben & Jerrys and then cheese, lots of cheese in Cabot!!  
Wonderful memories of a wonderful friend.
