“ Although we weren't Saints she loved us very much. You could always tell her a joke and even if she didn't get it would laugh. A very religious woman who always kept us on the straight and narrow. She loved Jesus and the Blessed Mother. In later years when she was no longer able to go to church often watched two masses a day and also the rosary. Mom was not to be interrupted when her mass and rosary aired. When I was older she would always tell me to be home by 9:30 PM. Of course being a little rebellious, as most young adults are, I would never keep my curfew. When she forgot to say something to me I would make it a point to be home by 9:00 PM. She took the hint and never gave me a curfew again. I could go on and on but just know that I loved her very much and just as my Dad and siblings Ronald and Lucille miss then and will always hold them in my heart until we meet again.

“ I am sad about her passing but I know she is with memere pepere uncle Emile Lucille Ronald her brothers and sisters that have passed before her. All I can say is that she lived a long and happy life and most of all was loved so much by her family! She had the biggest

heart and always believed in forgive and forget. I will forever be grateful that she was chosen as my godmother because she was an excellent role model to me! If I could describe her in two words, it would be "amazing woman" I will never forget the Saturday night bingo and all the times we spent together as I was growing up. She had the patience of a saint and could always make me laugh, especially when she said I was getting fat, lol those are the memories I will cling to this week when saying good bye. Paul, Paulette, Roger, you're mom was not only your mom but someone that was admired by so many people. That hole in your heart will heal somewhat and your memories of her will make you smile again! I know my mom must be right by her side in heaven! I love you Aunt Doris, fly with the angels and watch over your family! REST IN PEACE
