“ My sympathy to Irene's family. I got to know Irene at Life Care, as she was my Mom's roommate. Irene's smile would light up the room. She was so kind and sweet. My heart melted when I would see her at mass on Sunday's holding her husband's hand. Fly high Irene!

“ My mother, Helen Metzger, couldn't have asked for a nicer, cooperative roommate. Her family was always so friendly toward my mother as well.

“ Dear Gil, Prayers and condolences for you and your family at the passing of your dearest mother. I am in awe at that beautiful caring smile and I know how difficult it is to let someone go, but she will always be with you and in your heart as long as you live where nothing can ever fill that space in this lifetime. I pray you will be strong and carry her memory with you and as time passes know those feelings and that love remains. Sincerely,
