“ I haven't seen John in years but I have great memories of him as my baseball teammate/coach while playing little league for the Madeira Club. His Dad was the manager and the entire family were the nicest, most supportive family that I was lucky enough to be a part of. Thanks for making my childhood a great memory and may the Dupuis family find peace during this difficult time.

“ My tears fall heavy for my childhood best friend! For many years I searched to reconnect with you John and I fell short. Ironically I just mentioned you on Sunday to a crowd of people on how we use to ride our bikes late at night and our parents never new where we would go. Specifically to Joann's house to meet the girl's and go swimming! I am left without words as my prayers and love go out to you and your beautiful family! Mrs. Dupuis, Michael, David and family member's I wish I had met - my warmest sincere thoughts go out to you!
