“ Pat was so many things to me: a wonderful, caring neighbor, a fellow church member, one of my mom's quilting pals, my friend's mom who made us grilled cheese after playing in the woods out back, and my very first teacher (ABC Preschool)! It was an honor raising my kids next door, and sharing their accomplishments and we loved hearing the similar accomplishments of her grandchildren. Merle, Brenda, Donna, Pam, Robin and families, please know how much your wife and mom contributed to this world and how much she will be missed. Love, Susan Jenks Beard
