“ Martha and family, I am so sorry to hear of the loss of your mother. May she rest in peace.

Unless I am mistaken, you were a visiting nurse who helped me with my mother many years ago. You brought nothing but much happiness and joy into this home. For this, I will be forever thankful.

“ I was so disappointed to hear about your Mom. I am Mae & Snookie Gove's daughter, Carol. Your Mom was my cousin. My sister Peggy, along with myself & Maureen Gove were planning a get together with Phyllis to go down memory lane. I was so looking forward to that visit. Please accept my condolences for the loss of your dear Mother. Carol Hutchins

“ The memory that touches my heart the most is a recent one. Phyllis called me one day, a few months ago. She wanted to tell me what a good man her grandson, my son Steven, had grown up to be. She wanted me to know how special he was to her. She had many kind words to say about him and I will always remember the conversation we had that day. My deepest condolences to the Martin family.
