“ Heidi and Holly, I have so many memories with your mom. From being little and going to grammar school together to high school and time together when you girls were small. We spent our Sunday summers at Lincoln Park and our Sunday winters Roller Skating. Sharon I am sure you remember the times that Sue, JoAnn and myself spent together. She will be missed dearly. Sending you all many hugs. Gayle (Brillo) Fernandes/Sircello.

“ My beautiful cousin Sue... I have treasured memories when we were little girls. She was 1-1/2 years older than me and I always thought she was so beautiful and so cool. Most of the truly great memories I had as a child involved my cousin, Sue. When I knew we would be getting together, I was the happiest kid on the planet. I truly loved her. The crazy laughs we had together will be etched in my mind forever. I am grateful to have had her in my childhood, it would never have been the same without her. Thank you my sweet cousin, you will be missed on this earth, but I know I will see you again one day.

“ Sue, you were a kid when Sharon and I met and became close friends. Naturally we thought you were a bit of a pain. But you grew on me. You were such a doll and so funny. I remember at Sharon's baby shower for Jason, you were helping Bob's Mom with the food and you walked through the screen door. We were all so uptight that we started laughing and could hardly stop laughing for the duration of the shower. You have a great wit.
You are loved and always will be remembered. You made some gorgeous babies and your Grandson is stunning.
RIP Sue your soul is with us!

“ Sue...15 yrs ago you were an acquaintance that became a friend than a friend that became family. I will forever miss your little growl, your laugh, our GIF texts back and forth and most of all your thoughtfulness. You will forever hold a special place in my heart.
Loved you then..Love you now..Love you Always. Lisa
